

RENEWAL THE RECRUITMENT OF PARTICIPANTS TO THE K9 EUROPE PROJECT !

If you are a policeman of the Regional Police Headquarters in Radom or the Police Kennel Institute in Sułkowice, and your scope of tasks is related to service dogs, we invite you to participate in the the recruitment of participants for the K9 Europe project.

We are looking for policemen who:

- are service dog handlers,
- prepare training documentation, prepare didactic materials /tools used for training of service dog handlers,
- supervise the preparation of equipment facilities for training of service dog handlers,
- are involved in the organization and implementation of training
- in the field of cynology,
- supervise the organization and implementation of training for service dog handlers,
- participate in the selection of dogs for service
- in the Police,
- organize/conduct/participate in classes to improve the efficiency of service dogs and attestation of service dogs,
- participate in the review of legislation in the field of cynology, as well as participate in educational seminars in this field,
- coordinate and supervise activities related to the proper organization and service of police officers from the KMP/KPP with the use of service dogs,
- prepare periodic information and analysis on service dogs,
- cooperate with Municipal / District Police Chiefs of the Mazovian garrison in the field of typing candidates for handlers, and purchase of service dogs, and the organization of the service of handlers.

The project is implemented in partnership with the Police Kennel Institute in Sułkowice and the Police of Iceland, and its goal is to improve skills and raising the competence of service dog handlers in the field of dog training methodology and use of dogs in service, as well as exchange of experience in the maintenance and training of service dogs in Poland and Iceland.

In the project is planned a study visit of Polish participants to Iceland, a visit of representatives of the Icelandic Police to Poland and a conference closing the project. During the visits, the participants will improve the methods and forms of the handler's training work and strengthen their competencies through observation of work and exchange of experiences.

Individuals interested in participating in the project are requested to send or deliver completed recruitment documentation in person to the Assistance Funds Team at the Regional Police Headquarters based in Radom to room 815 (8th floor) by **16 September 2022**.

The application form and Recruitment Regulations are available at www.mazowiecka.policja.gov.pl under the section Police Activities - Assistance Funds Team - K9 Europe Project.

If you have any questions about recruitment to participate in the K9 Europe project, please contact Katarzyna Stankowska from the Assistance Funds Team (phone no. 47 701 26 18)

We invite you to participate in the project !

The K9 Europe project implemented under Component III - Institutional cooperation for quality improvement and adaptation of vocational education and training (VET) and lifelong learning of the Programme benefits from a grant of EUR 94,320 received from Iceland, Liechtenstein and Norway through the EEA funds.
